

Disclaimer

The material and information contained on this website is for general information purposes only. You should not rely upon the material or information on the website as a basis for making any medical, business, legal or other decisions.

Specifically, this website does not give medical advice, diagnosis, or treatment. Content, such as words, pictures, and other material found on the website, is not intended to be a substitute for professional medical advice, diagnosis or treatment and is for informational use only. Any specific tests, doctors, therapists, products, procedures, views, or other information that may be mentioned on the website is not a recommendation by Albers Therapy Group (“**ATG**”). The information provided through the website does not create any therapist-patient relationship or any other type of patient relationship, nor should it be considered to take the place of getting advice from your therapist or doctor on diagnosis or treatment. Nothing contained on or provided through the website is intended or can be considered to constitute the practice or furnishing of medical, nursing, or professional health care advice, diagnosis, consultation, or treatment, or approval of any specific product, service, or treatment.

Always speak with your doctor or other qualified caregiver with any questions you may have about a medical problem. Never ignore your doctor’s advice or wait to get medical help because of something contained on or provided through the website. **IF YOU THINK YOU MAY HAVE A MEDICAL EMERGENCY, CALL YOUR DOCTOR OR DIAL 911 RIGHT AWAY.**

Reliance on any information provided by ATG, ATG employees, others appearing on the website at the invitation of ATG, or other visitors to the website is solely at your own risk.

Access to any resources or other parts of our website are governed by and subject to ATG’s Terms of Use.
